**VOCATIONS CORNER:** Our vocation starts as an indwelling, with the quiet whisper of God's pull on our heart. It's often personal & Difficult to describe to others & often takes much prayer and discernment to see clearly. Are we to become another John the Baptist – that "voice of one crying out in the desert"? St. Francis de Sales reflected on this individual nature of our call, "We all have a vocation. We believe that God has placed us in this life to fill a special need that no one else can accomplish."
