**VOCATIONS CORNER:** “Life is about saying “yes” to things that help you to grow in holiness and no to the things that don't. Life is about searching for the best version of yourself.

Today's culture doesn't have a vision for the human person. The goal of today's culture is Consumption as we no longer are the consumers...we are being consumed. It is time for us To start thinking about where our lives are leading and to where God is calling us. The ways of the world lead to confusion. God's way leads to clarity, order and to a meaningful living with joy. Life is a choice we all have to make. So fulfill God's vision for you and answer his call with a “yes”.
