VOCATIONS CORNER:

"After I completed university & settled into a job as a computer programmer, I started asking my friends, "Do you ever feel like you should be doing something more?" To my surprise, most of them said no, or maybe – but I wasn't satisfied. I moved on to teaching in a rather impoverished high school, where I realized what my students needed more than a stable home, quality education, or even steady diet, was hope. When I looked at where I found hope in my own life, I saw it was in the Church, which made Jesus known to me. Around this time, I met the Barsilian Fathers at the University of St. Thomas in Houston. I kept discerning the next step, and they helped me to be the who I was called to be."

Fr. Chris Valka, CSB; Congregation of St. Basil, Houston, TX.
