FIRE DEPARTMENT: Dan Trame

Thanks to everyone who supported us at the Madison County Fair, during the annual combine demo. Congrats to the winners. This is our biggest fundraiser and support is very appreciated!

We also want to invite the community to an Open House at the St Rose Fire House on October 2nd. From 10am till 2pm in conjunction with Fire Prevention. Come out and see the equipment and visit with us.

Annual Fire Department Shooting Match will be at St Rose Park on October 16th. There will be food, still targets, family targets, wheel raffle, bags tournament, and new this year a water muster between the local Ladies Auxiliary's. Come out for some family fun and watch the ladies get wet.

FIRE DEPARTMENT LADIES AUXILIARY: Christa Trame

We are getting a slow start to things but we keep trying to get our members involved. We have voted on a name for our group. We are now The St Rose Ladies Sirens.

We are going to have another BBQ at the Fire House on October 2nd during the firemen's Open House. We will be selling brats, dogs, and pulled pork along with some sides. Drinks and desserts will also be available for purchase. We are doing these fundraisers for the guys to help them buy much needed but sometimes overlooked equipment. Helping them to replace some worn out boots or getting some new helmets is something we want to help purchase to keep our guys safe on calls.

To help the department get more "family friendly" for the shooting match at the St Rose Park, we have decided to host a bags tournament and a water fight between local ladies Auxiliary's. In hopes of increasing attendance, we also hope to get to know the wives and families of other departments. Please come out for some fun!
